## Weather Tips:

In June, Slovenia enjoys pleasant weather with average daytime temperatures ranging from 20–25°C (68–77°F). Pack light, breathable clothing, but also bring a jacket for cooler evenings.

## General Advice:

- Wear comfortable walking shoes for exploring both cities and nature.
- Bring a reusable water bottle; Slovenia has clean and safe drinking water.
- Book popular activities in advance, as June marks the start of the summer travel season.
